Notes

1 Please provide a phone number, email address, or postal address. The consent you are giving for the photograph also provides consent for us to record these details for the purpose of managing consent if we need to contact you in future.

2 Please give a brief description of yourself to help us identify you in photos when we process the images, this should distinguish you from other people being photographed at the same time, e.g. 'man in the blue shirt', 'lady with the red glasses'

3 If consenting on behalf of someone else, you must have a legal right to do so, such as parent or power of attorney please be aware that you may be asked to supply evidence of this legal status where necessary.

4 For example, 'child under 13', 'limited mental capacity'.
