

Teach Portsmouth Awards 2019

Schools, colleges, multi academy trusts and all other partners involved in the Portsmouth Education Partnership are invited to submit nominations in one or more of the categories below. Nominations can include school and college staff, the wider school community and Education Services where appropriate.

We are looking to recognise and celebrate the work of those who are leaders in their field and "go above and beyond" in terms of the impact of their work. We are very mindful of workload issues and need to ensure that we are not encouraging or celebrating a climate that increases workload.
